

TEXAS PSYCHOLOGICAL & CONSULTATION SERVICES

Texas Psychological & Consultation Services (TPACS)

We specialize in the psychological assessments of children, adolescents and young adults throughout the state of Texas, maintaining a long-standing, strong presence in **San Antonio, Houston, Corpus Christi, Laredo, El Paso,** and the **Rio Grande Valley**.

We are particularly proud to have had the opportunity to provide thousands of South Texas families and foster children with ***Spanish language, culturally competent services***.

We believe that every child has areas of strength and accomplishment, and we are dedicated to helping young people overcome obstacles and realize their full potential.

Psychological Evaluations Overview

- Assessment and Evaluation of the following core areas:
 - Cognitive: intelligence, academic skills, learning disabilities, memory, and sustained attention.
 - Emotional: symptoms related to depression, anxiety, anger, trauma, and adjustment.
 - Behavioral: conduct, aggression, attention, concentration, and judgment.
- Diagnoses based upon standardized tests, self-report, caregiver-report, and clinical observations/interviews.
- Recommendations include the following:
 - Address areas of need, while incorporating areas of strength and talent.
 - Document needs for special education services and/or educational accommodations (IEP/504 plan).
 - Clarify areas of career interest for adolescents and young adults.
 - Determine appropriate professional therapeutic referrals, including psychotherapy and psychiatry.
